DIGITAL  
MULTIFUNCTIONAL SYSTEM

CD 1018

# TECHNICAL DATA

## CD 1018

### GENERAL

Type	Desktop device
Function	Copying, printing, scanning, optional faxing
Process	Electrostatic laser copy
Originals	Sheets, books, 3D objects, max A4
Copy/print speed	max 18 A4 pages per minute
First copy/warm-up time	9.5 seconds*/20 seconds
Resolution/grey levels	600 x 600 dpi/256
Paper feed	1 x 250 sheet universal cassette (A5R-A4), 50-sheet multi-bypass (A6R-A4)
Paper weight	Cassettes 60-80 g/m <sup>2</sup> , multi-bypass 60-160 g/m <sup>2</sup>
Copy memory	96 MB RAM, max 320 MB RAM
Continuous copy mode	1-999 copies
Zoom	50%-200% in 1% increments
Functions and modes	Energy-saving mode, interrupt mode, scan once - copy many (copy from memory), 4 in 1 function, job manager, 8 function memories

### DIMENSIONS/WEIGHT

Dimensions	496 x 421 x 385 mm (W x D x H)
Weight	approx. 14.5 kg

### OPTIONS

Original feeder	50-sheet automatic document feed DP-100
Paper feed	max 1 x 250 sheet universal cassette PF-17 (A5R-A4)
Other options	Support cabinet (wood)

### PRINT SYSTEM

Type	Integrated into the system
Printing speed	18 A4 pages per minute
Print resolution	600 x 600 dpi (1,800 x 600 dpi, interpolated)
Processor	PowerPC 750/300 MHz
Print memory	Shared copying and printing memory
Interface	Standard IEEE 1284, 10/100BaseTX, USB 2.0
Network protocols	TCP/IP, UNIX, Net BEUI, Apple Talk
Operating systems	Windows 98 SE, ME, NT 4.0, Windows 2000, XP, Mac OS 9.1 and higher/Mac OS X 10.0 and higher
Emulation	PCL6, KPDL 3 (compatible with Postscript 3)
Functions	Direct printing of PDFs, printing of e-mails

### SCAN SYSTEM

Scanning mode	Colour and black and white
Scanning resolution	600 x 600 dpi
Functions	Scan to PC, Scan to e-mail (8 recipients), TWAIN (only via USB)
Media types	Photo, text, photo/text, OCR

The CD 1018 is manufactured in accordance with the requirements of the ENERGY STAR Program. Specifications subject to change without notice (02/2005). UTAH recommends that you use only genuine UTAH accessories for trouble-free operation of your machine.

Max scanning format	A4
Scanning speed	max 18 original documents per minute (A4)
File types	TIFF (b/w), PDF, JPEG (colour)
Interface	10/100BaseTX
Network protocol	TCP/IP
Operating systems	Windows 98 SE, ME, NT 4.0, Windows 2000, XP

### OPTIONAL FAX SYSTEM

Modem speed	33.6 kbps
Transfer speed	3 seconds or less using JBIG
Max original document size	A4
Resolution	Standard (200 x 100 dpi) High (200 x 200 dpi) Ultra high (400 x 400 dpi)
Compression method	JBIG, MMR, MR, MH
Addresses	100 numbers (20 groups)
Memory	6 MB
Functions and modes	Network fax driver, redialling, delayed sending, transmission protocol
Operating systems	Windows 98 SE, ME, NT 4.0, Windows 2000, XP

## A QUARTET OF FUNCTIONALITY!

Whether copying, printing, scanning or faxing, the CD 1018 digital multifunction system impresses with its four functionalities while taking up very little space! This office professional takes up less than 0.21 m<sup>2</sup> of floor space, and with a speed of 18 pages per minute, delivers 1,200 dpi top quality output you can rely on. For your first printout there's no need to wait longer than 8.8 seconds. For your first copy you need only wait around 10 seconds. As a full-blown scanning system, the CD 1018 turns colour documents and black and white drafts into pin-sharp scans and sends them as e-mail attachments at the touch of a button. The CD 1018 can also do your faxing for you. Thanks to JBIG compression and a 33.6 kbps modem the CD 1018 can send your faxes in just 3 seconds!

This small system is also big in memory capacity, thanks to a generous 96 MB of shared standard memory, available as required for copying, printing and scanning. And if you want to, you can easily upgrade the memory to up to 320 MB for all applications. That's enough memory capacity for 250 pages!

User-friendliness and ease of use are of top importance in the CD 1018. Thanks to the standard parallel and USB 2.0 ports, fast Ethernet network card and user-oriented configuration, the CD 1018 is easily integrated into a network. Digital copying functions such as 'scan once - copy many', electronic sorting or the straightforward job manager relieve you of all those time consuming routine tasks. With a paper capacity of 300 sheets, expandable to 550 sheets, the CD 1018 is well equipped to tackle high volume print and copying jobs. This compact all-rounder fits in everywhere in small working groups, office teams or in the home office!
